

M-SW800 8" DUAL-COIL POWERED SUBWOOFER

200W sealed enclosure powered subwoofer

The ultra-compact M-SW800 powered subwoofer adds deep, controlled bass to any audio system without taking up much space. It is only 65mm deep and can be mounted under a seat or in the boot of saloon cars, estate cars and SUVs. The side panel provides easy access to the auto-sensing high-level or line-level inputs and sound optimisation controls.

Remote level control

M-SW800 8" DUAL-COIL POWERED SUBWOOFER
